Mirabel tells the tale of her amazing family and her journey to save the casita, her enchanted family home, alongside her sisters: Isabela, whose perfection radiates with her ability to make plants grow and flowers bloom with every step, and Luisa, with the gift of super strength that she uses to help her village move buildings and reroute rivers. Fans can witness Tia Pepa, who can control the weather with her emotions; her husband Felix; their daughter Dolores, with her gift to hear; and Bruno, the mysterious and misunderstood Madrigal family member whose visions foretold the future.
